4 Online Portal for NeVA Support Helpdesk

About NeVA

NeVA is an eGovernance Project of Govt. of India to transform all the Legislatures into "Digital Houses" or "Paperless e-Assemblies".
NeVA helps in strengthening democracy through meaningful participation of the Legislators and citizens in the law making process.

It has a potential to save huge amount of paper wastage thereby leading to saving lakhs of trees annually and promote cleanliness in Departments and Secretariats. A Generic cloud based Application interoperable across all Legislatures integrated with the customisable local features.

Digitisation of the processes like Question processing, List of Business, Committee Management System, Bill Management, Reporter Section, eBook, Zero-hour proceeding, Department/Ministry Module, Constituency Management System, Digital library & Archives.
